
**SCOR Investment Partners
confirms its position as a leading ILS asset manager**

SCOR Investment Partners, the SCOR group's portfolio management company, announces that it has completed the integration of the London-based company Coriolis Capital Limited acquired in September 2019.

The newly formed SCOR Investment Partners ILS platform positions the firm as a leading asset manager in the ILS market with over 2.6 billion dollars of assets under management (as at 28.02.2021). The platform benefits from larger assets under management and a broader combined franchise with pooled expertise and resources in Paris and London, led by Head of ILS Sidney Rostan. This new set up will enable SCOR Investment Partners to meet the needs of existing and potential investors in accordance with applicable local regulations.

François de Varenne, CEO of SCOR Investment Partners, said: *"I welcome this new step taken with the invaluable assistance of Diego Wauters who will act as a Senior ILS Advisor and will continue to bring all of his know-how and extensive knowledge of the market to our ILS platform. Under the leadership of Sidney Rostan, we are confident that the SCOR Investment Partners ILS Platform will form the basis for the continued growth and success of our ILS activity. This new set up demonstrates the strategic importance of ILS in our product range and establishes SCOR Investment Partners as a Tier 1 ILS market player."*
